

SILENT AUCTION NOW OPEN

Through the generosity of a donor, we have wonderful gifts to acquire through a silent auction which will run from today until the weekend after Easter. The funds raised will be applied to the project of installing gates and fencing across the driveway near 230A to prevent anti-social behaviour in the Garden of Remembrance and Eastern Courtyard - a project expected to cost \$50,000.

Bidding

Silent auction items listed on the next 3 pages are displayed for you to see in the narthex. Alongside each auction item there's a bid sheet where bidders can write down their bids and contact details.

The bid sheets include a description of the item, its value and the starting bid.

Bidders write down their bid amount and contact details.

The next bidder must bid more than the previous bid.

The auction continues until the Sunday after Easter (during which bidders can return to increase their bids)

and it will close at refreshments following the 10am service.

At the end of the auction, the highest bid for each item wins.

The winners are announced and directly contacted, regarding payment and delivery of the auctioned items.

The results will be published in the next Vicar's News.
